# HOW TO CHOOSE THE RIGHT PRODUCT

The fragrance you choose for your home should not only be to your liking but also make you feel comfortable. However, there are some variables to consider when selecting the right product for different environments.

## 1. THE ENVIRONMENTS

### FOYER

Flowery and fruity fragrances that evoke a sense of welcoming and render the atmosphere enveloping and vivacious are recommended for the entrance area.

- Ambra Oud
- Bacche di Tuscia
- Cuore di Pepe Nero
- Fiori di Mimosa
- Lavanda
- Rosa Patchouli
- Tabacco Cashmere
- Uva e Mirtillo

### KITCHEN

Citrus and mineral fragrances are ideal for the kitchen as they fill the room with scintillating, positive energy:

- Chimera di Agrumi
- Cuore di Pepe Nero
- Fiori di Mimosa
- Salis

### BEDROOM

In this ambience dedicated to total relaxation, delicate fragrances are best for creating a relaxed atmosphere in which to abandon all the tensions of the day:

- Fico d'Elba
- Fiori di Mimosa
- Lavanda
- Salis

### SPA/BATHROOM

Marine, fresh and spicy fragrances are great for this room as the perfect compromise between energy and relaxation.

- Chimera di Agrumi
- Il Classico
- Fico d'Elba
- Lavanda
- Salis

### LOUNGE

Floral, fruity and spicy fragrances are evergreens that can be tweaked according to seasonality to create environments with a relaxing and joyful atmosphere:

- Ambra Oud
- Bacche di Tuscia
- Chimera di Agrumi
- Cuore di Pepe Nero
- Il Classico
- Fico d'Elba
- Fumo di Oppio
- Legno di Vigna
- Rosa Patchouli
- Tabacco Cashmere
- Vaniglia Piccante

## 2. THE SIZE

The best way to select the right size of diffuser is to assess the dimensions of the room in which it is to be placed.

- up to 3 m<sup>2</sup> → 100 ml
- up to 6 m<sup>2</sup> → 250 ml
- up to 15 m<sup>2</sup> → 500 ml
- up to 30 m<sup>2</sup> → 1 L
- over 30 m<sup>2</sup> → 3 L

## 3. DURATION

How long the fragrance lasts depends on several factors – the room characteristics, ceiling height, heating, exposure to direct sunlight and air currents that encourage evaporation.

- 100 ml ~ 1 month
- 250 ml ~ 2-3 months
- 500 ml ~ 3-4 months
- 1 L ~ 6/7 months
- 3 L ~ >12 months

## DESIGN

Erbario Toscano's Home Fragrance is true olfactory décor capable of giving the room a note of elegance and originality.

A unique concept created ad hoc by expert artisans who were able to interpret the character of the brand and the thinking of its Art Director, Egisto Bertozzi. Thus was born the exclusive worked glass bottle that, with its countless facets, uses light to enhance the colours of the precious essences contained within.
